

REGIONAL DEVELOPMENT AND PROTECTION PROGRAMME FOR NORTH AFRICA (phase VI)

TUNISIA - KEY RESULTS UP TO JUNE 2024

PROTECTION & DIRECT ASSISTANCE

13.679 refugees and asylum seekers registered

1055 RSD decisions finalized

60 migrant UASC provided with direct assistance

94 VoTs benefitted from case management

UNHCR Tunisia has been observing a monthly increase in asylum requests, which allowed the registration of 13,679 new asylum seekers. For certain vulnerable groups, in particular unaccompanied minors, registration is the only proof of existence in the country hence a key protection activity. In parallel, 1055 RSD individual decisions were adjudicated

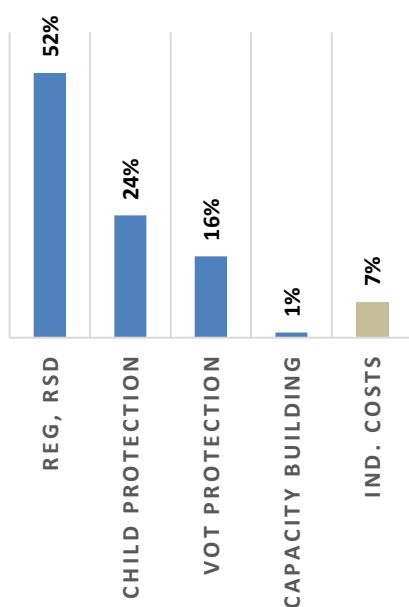

On counter-trafficking, IOM Tunisia has coordinated the training plan with the National Authority Against Trafficking Committee, the awareness raising sessions, the assessment of the perception of trafficking within the migrant

CAPACITY BUILDING

101 stakeholders trained on the content of the NRM

BUDGET ALLOCATION

communities. A training for 40 Magistrates from the regions in Southern Tunisia along the migration route was organized and held by IOM in collaboration with MOJ and the National Authority against Trafficking. 94 victims of trafficking benefitted from IOM comprehensive case management.

Several meetings of the National Coordination Group on Child Protection - which include key players from Government bodies, CSOs, NGOs as well as UN agencies – were organized. A joint pilot intervention with UNICEF and UNHCR will allow increasing the target of the development of alternative care solutions through foster families and semi-independent living options from 6 to 25 children assisted.
